

BusinessVision®

special edition

LEISURE AND POOLS

BusinessVision Special Edition – Leisure and Pools combines the robustness of BusinessVision’s full-featured business management and accounting system with special features that are specifically tailored to meet the needs of the leisure and pool service provider.

With 18 fully integrated modules, BusinessVision Special Edition – Leisure and Pools provides a solid solution with superior functionality at an affordable price. Operating in real-time, with over 190 pre-designed reports, BusinessVision Special Edition – Leisure and Pools provides a real-time understanding of the financial position of your company, with true up-to-the-minute financial reporting at any time.

BUSINESSVISION SPECIAL EDITION - LEISURE AND POOLS INCLUDES:

System Manager, Accounts Receivable, Accounts Payable, General Ledger, Inventory, Order Entry, Point-of-Sale, Sales Analysis, Payroll, Bank Reconciliation, Purchase Order, Purchase Analysis, Job Cost, Bill of Material,* Budgets and Forecasts,* File Validation, Import/Export and Reporting Suite

SPECIAL FEATURES

- Built-in inventory management features that provide the ability to track equipment specifications and warranty information for equipment held in inventory or used in the course of business
- Customer management features that track the pool/spa specifications, type of service contract, duration, preferred day of service, technician’s name, billing period and site directions. Additional details, such as the type of chemical treatment utilized, pool opening and winterization requirements, can also be recorded
- Custom reports including a Weekly Service Schedule that can be printed for each technician, detailing the customers who require service, the services required, and a Service Statement that can be printed and left at the customer’s site confirming delivery of services
- Enhanced job cost features that track pool/spa installation details, including actual job start and end dates
- Custom features that include a customizable Workbook, Document Linking, Mail Merge, SuperTicker and Customer Specific Pricing
